Planet X Forecast and 2012 Survival Guide

By **Jacco van der Worp, MSc.,
Marshall Masters and
Janice Manning**

“Chance favors the prepared mind.” - Louis Pasteur

ISBN: 1597720755. Paperback. 312 pp. 12 ill. November 2007 (2nd edition). Your Own World Books. \$19.95.

What is Planet X? It could be a comet, rogue planet, or, as this book maintains, a dying brown dwarf companion to Sol. In the years to come, its elliptical orbit will bring it into the core of our system, where it will enrage our sun. Once that happens, Earth's greatest pains will come the moment fate puts us in the cross-hairs of a perfect solar storm. The purpose of this book is to help those who now agree that time is of the essence. It does this by offering a practical 2012 tool kit of how-to survival knowledge for those who'll be left to fend for themselves.

“A tour-de-force Planet X-2012 page turner. Required reading for those who get it and want to live through it.” - Echan Deravy, author, Solar Code.

“Written in an easy-to-read style that honors the 2012 predictions of the Maya.” - Maya anthropologist George Erikson, author, Atlantis in America.

“Chilling insights into how the world's power elites are preparing for 2012. Truth that's hard to handle.” - Philip Gardiner, author, Secret Societies.

ABOUT THE AUTHORS: **Marshall Masters** is an author, publisher, media guest, Internet radio host and founder of The Sagan Continuation Project. A former CNN science features news producer and U.S. Army public information officer who specializes in Planet X and 2012 research, he founded the yowusa.com web site in 1999 and is the CEO of Your Own World Books (yowbooks.com). Netherlands-based **Jacco van der Worp** holds an MSc in applied physics. He has worked in radiation safety and currently specializes in complex systems failure analysis. As a co-founder of yowusa.com, he focuses primarily on space threats and alternative energy sources. **Janice Manning** is the editor of *The Kolbrin Bible*, a wisdom text dating back some 3600 years. She is a yowusa.com web site co-founder whose analyses of the historical accounts regarding previous Planet X flybys in this ancient secular text were instrumental in correlating those accounts to similar accounts in the *Torah* (Old Testament).

A JOURNEY OF DAYS Relearning Life's Lessons on the Camino de Santiago

By **Guy Thatcher**

ISBN # 978-1-897113-99-8. 218 pp. Paperback. 82 illustrations. \$24.95 (CAN.). General Store Publishing House. June 2008.

A Journey of Days takes us on a 700-kilometre walk along the Camino, a 1,000-year-old pilgrimage route in northern Spain. To complete this walk in five weeks is an unusual accomplishment at any age. To do so at age 70 in all kinds of weather, even snow, and without your carefully collected clothing, equipment and backpack, all of which never arrived, is exceptional.

Thatcher tells you about his days, his impressions of Spain and Spaniards, the places he stayed and his companions—all with dry humour. He arrived and walked alone, as planned, until three young companions, two women in their 30s and one man in his late 20s, chose to walk with him. Find out why.

“This is an elegantly presented, intelligent book. Your goal may not be to walk the camino, as Guy has done, but you'll come away informed, inspired and touched by this beautiful narrative. The style is so direct that it's easy to imagine sitting across a small bar table chatting with the author.” - <<http://www.chapters.indigo.ca/books/Journey-Days-Relearning-Lifes-Lessons-Guy-Thatcher/9781897113998-AllReviews.html>>

About the Author. Guy Thatcher served in the Canadian regular armed forces from 1955 to 1980 as a tank officer, helicopter pilot, anti-tank missile instructor, and computer analyst, in Germany, Belgium, Cyprus, Texas, Alabama and various bases in Canada. He pursued a second career for a further 25 years as a management consultant, working primarily in the field of facility planning and management. He holds a degree in Computing and Information Systems from Queen's University in Kingston, Ontario, is a Fellow of the International Facility Management Association and is a lifetime Certified Management Consultant. He developed and taught postgraduate courses in Information Management for Facility Professionals at Michigan State University, delivered worldwide over the Internet. He has written or contributed to several business books and workshop manuals. He continues to teach in the Caribbean, successfully combining work and pleasure. He lives in Ottawa, Canada. THE SHADOW KNOWS:

How to Understand and Heal Its Messages

By Eleanor Limmer, M.S.W.

ISBN 9780967818344. Paperback. 186 pp. \$16. Freedom Press. 2007.

Although we think of the shadow as containing only darkness, as Jung stated, its essence is "puregold." It is the ally of our true, spiritual self and the enemy of our negative egos: "One does not become enlightened by imagining figures of light, but by making the darkness conscious." - Jung.

Discovering what the Shadow knows about us is an imperative on the spiritual and human path to self-realization. This is true because our shadows are a part of our souls which do know us intimately, and their function is to hold whatever we deny until each of us is strong enough to integrate their knowledge. In this book, Limmer provides practical examples and tools to help us do the shadow work necessary to face the hidden parts of ourselves—both dark and light. The shadow is our ally, because it reveals to us those things we need to face and be conscious of, if we are to become whole, fulfilled human beings.

"This is a must-read for those seeking enlightenment. Limmer craftily explains, with vivid examples, how our shadow self holds the secrets to our inner world. She provides definitive tools and exercises in *The Shadow Knows* to unlock the shadow secrets and enable self-healing." - Dino Fanara, author, *The Creators* and *Angel of the East Indies*.

"Limmer invites her readers to understand why facing the hidden parts of ourselves is the key to leading a purposeful and fulfilling life. She provides practical examples and tools to welcome the messages of our dark and light shadow....[as] revealed through our body, thoughts, feelings and spirituality. Listen to your shadow and unleash new energy that empowers us to see the Divinity within us and others. Our future depends on it." - Susie Leonard Weller, M.A., author, *Solving The Parenting Puzzle*.

About the Author: Eleanor Limmer Eleanor is a poet, playwright, holistic counselor and professional social worker who uses guided imagery and music in her private practice at Spokane Healing Arts. She specializes in discovering and healing the messages of illness. Her book about the symbolism of illness, *The Body Language of Illness*, is in its third edition. Other books by Eleanor include *Balance*, *Blooming* and *An Alchemy of Joy*.

This book provides deep insights into the life and personality of Sri Ramakrishna Paramahansa. Describing his family background and early life, it discusses at length his marriage with Sarada Devi, his life-long celibacy, his devotion to Goddess Kali and his philosophy of Advaita. Taking a close look at his teachings and methods of imparting them, it tries to interpret the spiritual experiences of Sri Ramakrishna of assimilating different religions and sects, indicating the great path of religions synthesis: acceptance of all religions and rejection of none.

Contents: Midnight - A Vision Come True - Growing up in Kamarpukur - The Call from Kolkata - Gripped by the Flaming Tongue - Caught in the Whirlpool - The Marriage Interlude - Arrival of the First Guide - On the Pinnacle of the Advaita - A Breeze of Spring: Bhairavi Departs - Mathur: Many Facets of His Life - Consort's Arrival: A Step Higher - Keshub Sen: His Background; Dayanand Saraswati - The First Showers - Master, a Great Pupil - Some more Devotees - The Fledgeling Flock - Teaching Methods, To Each His Own - Ringing of the Vesper Bells - From one Room to Another - Work Continues.

Sarada Devi, popularly known as the Holy Mother, was the spiritual consort of Sri Ramakrishna Paramahansa. This book shows how a simple village girl, who had no formal education, had not read any religious scriptures and had not been to any teacher (guru) for spiritual guidance, achieved the divine status of "Mother." Delineating the purpose and significance of her life, it describes in detail her marriage with Sri Ramakrishna, her worshipping as a goddess by her own husband, her breaking of caste barriers, and shackles of age-old social customs, her removal of pseudo-religious taboos, and her emphasis on female education. Her contribution towards the establishment and development of the Ramakrishna Math and Mission has also been discussed elaborately.

Contents: Going for a Honeymoon - The Die is cast - A Spring Interlude - Long Vigil - A Spiritual Honeymoon - The Sansara of Sarada Devi - I - The Sansara of Sarada Devi - II - The Turning Point - A Homeless Pilgrim - In A Whirlpool at Kamarpukur? - Homeless Wanderer - Prayers Granted - Death and Life - Saradananda, The Great Carrier - 'I'm Your Real MA' - 'Things Are as They Were' - 'Verily, Thakur is Living Here!' - The Web of Maya - in or out? - The Wave of Nationalism - 'The Mother of The Universe - Adieu - Post Script.

a silent journey: in search of oneself

The spirit of inquiry knocks at the door of our consciousness many times. But we conveniently brush it aside. And when we do nurture it, only a few of us are fortunate enough to come across a person who can clarify our doubts or quench our spiritual thirst. However, if a book is made available, which narrates some of the difficulties the seeker faces during his/her search of oneself, it might be of great help. And this book is an attempt in this direction. Explaining how aspiration (*subheccha*) for a life gets germinated and what should be the attitude of the seeker of Truth, it discusses at length the different methods of mind control, the intricacies of Asanas, Pranayama, Dharana, Dhyana and Bhakti. The experiences and discoveries of the seeker have also been incorporated.

Contents: First Lap—Aspiration - Middle Lap—Beatitudes - Final Lap—Coming Home.

Insights into Existence: Essays on the Upanisads

By Raghunandan

ISBN 13: 9788189973537. xxi, 288 pp.
22 cm. Hardbound: U.S.\$31.00.
Rs.620.00. Paperback: U.S.\$16.00.
Rs.320.00. Readworthy. 2008.

It is generally opined—though erroneously—that the Vedanta or Upanisads are beyond the reach of common lot of people, and are meant for only the recluses dedicated to the spiritual quest. Actually, as our ancestors were children of nature, their quest and the resultant dialogues are as simple as they are relevant, to our day-to-day life. Swami Vivekananda not only introduced them to the general public, but also tried to convince them that the Upanisads have solutions to our common problems. He went to the extent of saying that the Vedanta is the future religion of the world. The essays presented in this book attempt to give a glimpse into the Upanisadic methodology or Vicara as it is called, which makes use of doubt and inquiry.

Contents: Kaleidoscopic Problems of Life - An Overview of the Upanisads - The Eligibility for the Quest - From Questions to the Quest - The Approach of the Upanisads - The Terminus of the Quest - The Means for the Quest - The Three States of Consciousness - Awareness, the Fourth - Life's Constant Companion: Death - Death: The Preceptor - Teachings of Death - Knowledge and Knowing - Beyond Knowledge and Knowing - Stories from the Upanisads - Freedom from Bondage - Divine Acceptance - Epilogue.

MESSENGERS OF HOPE

The Walk-In Phenomenon

By Rev. Carol E. Parrish-Harra, Ph.D.

ISBN # 0945-027-192. 279 pp. Paperback. Illustrated. \$19.95. Sparrow Hawk Press. 1983. Revised and Expanded 2001.

When Carol Parrish-Harra nearly died at age 23, she awoke knowing she was not the same person. She would discover gradually the meaning of soul exchange.

This inside story of a Walk-in—introduced to the public by Ruth Montgomery in *Threshold to Tomorrow*—unveils the inner process preparing the personality to serve in a destiny little understood but spiritually rich. Additional insights are revealed regarding the roles that presently incarnating angelic and spacial beings play as they assist humanity in shaping the future. As planetary life faces the changing of the ages, global challenges, and planetary changes, new importance is given to group consciousness and the role of community. Messengers are to be heard.

"Carol Parrish has come to a deep understanding of the meaning of her own near-death experience through a process of personal maturation which has led her to reflect upon its broader significance for all humanity. . . . Carol's conclusion comes out of the matrix of her own life; mine derives from my research data, but on this matter we speak as though with a common voice."—Kenneth Ring, author, *Heading Toward Omega* and *Lessons from the Light*.

"A BEACON OF HOPE. Reading Messengers of Hope confirmed what I knew when I met the author for the first time: this was a woman of power and wisdom, bold enough to speak openly about difficult, personal matters. Carol Parrish-Harra brings a simple honesty to a forward-looking spirituality, making her search for understanding relevant to us all. I recommend it to anyone who has had a near-death experience, and felt 'different' afterwards. I recommend it to all who want an up-close view of what it feels like to chart new pathways of spirituality in America." - Filer Donovan, AMAZON.COM.

ABOUT THE AUTHOR: Carol E. Parrish-Harra, PhD. is the academic dean of Sancta Sophis Seminary located at Sparrow Hawk Village in the Ozark Mountains near Tahlequah, Oklahoma. A school of Ageless Wisdom, it offers ordination as well as graduate Masters and Doctoral Degrees. Dr. Parrish leads many spiritual retreats worldwide, and is a frequently-sought lecturer on many subjects, including esoteric thought.

The New Dictionary of Spiritual Thought

By Rev. Carol E. Parrish-Harra, Ph.D.

Sophia Sutras: Introducing Mother Wisdom

By Rev. Carol E. Parrish-Harra, Ph.D.

ISBN #: 0-945027-22-2. 368 pp. Paperback. Illustrated. \$25.95. Sparrow Hawk Press. 1994. Revised 2002.

This new dictionary, triple the size of the first edition, does much more than contain definitions of over 3,000 of the world's most important esoteric and spiritual concepts. It enlightens its user with the concepts and mythology that gave rise to these terms. Over 90 biographies feature personalities who have made remarkable contributions to the mystery tradition. Significant illustrations, symbols, and glyphs increase understanding. A special section describes a contemporary mystery school now accepting students. Use this book as your faithful companion as you progress along the Path. You will find it an indispensable key to understanding the esoteric wisdom of the ancients.

Prepared by the highly respected mystic and Sancta Sophia Seminary Dean Carol E. Parrish-Harra, this exceptional compendium is the result of the author's nearly 45-year pursuit of the ageless wisdom teachings. This search has led her to a guru high in the Himalayas, to sacred sites in Peru, across the former U.S.S.R., to Egypt, the Orient, the Gobi Desert for Wesak, and to the Yucatan and Guatemala for study of the Mayan culture under the tutelage of the wisdomkeeper Hunbatz Men whose lineage predates Columbus. Her pilgrimage to Turkey with its rich heritage of early Christianity, of twelve to seventeen early civilizations, and of Islam, adds dimension to help integrate early Western wisdom for the benefit of all humanity.

ABOUT THE AUTHOR: Dr. Parrish-Harra is a popular lecturer across the U.S. and in many countries, most often in the U.S., Russia, and now Turkey and the British Isles. In 1981 she established a spiritual community in the foothills of the Ozark Mountains near Tahlequah, Oklahoma, which includes the campus of Sancta Sophia Seminary where she works tirelessly to disseminate the practical and enduring wisdom of the ancient teachings.

ISBN # 0-945-027-257. 290 pp. Paperback. Illustrated. Sparrow Hawk Press. August 2008. \$24.95.

Sparrow Hawk Press is thrilled to announce the release of their next bestseller: *Sophia Sutras: Introducing Mother Wisdom*, by Rev. Carol E. Parrish-Harra, Ph.D. In her latest work, Parrish-Harra anticipates the current fascination with Sophia (*The Da Vinci Code*, etc.) as she distills centuries-worth of spiritual wisdom into one remarkable, accessible volume. Three years in the making, *Sophia Sutras* is the culmination of a lifetime of experience living, studying, and teaching students how to access the divine feminine. Drawing on the insight of a multiplicity of thinkers and traditions, Rev. Parrish-Harra succeeds in tying them together with the thread of their origins: Sophia herself.

Read *The Sophia Sutras* and you will be amazed to discover the Apostle John and psychologist Carl Jung both describing that "hidden intelligence of Sophia hard at work, out of sight, evolving humankind." *Sophia Sutras* is a book intimately concerned with the struggle being played out within humanity—and writ large in world events—between force and freedom, judgment and understanding, despair and hope. It is an insightful description of the choices facing all people and all genders, as well as a prescription for steps along the shortest road to personal and planetary transformation. *Sophia Sutras* is a lifetime of bold spiritual adventure condensed into one accessible volume.

"We just finished our Book Study on *Sophia Sutras: Introducing Mother Wisdom* by Rev. Carol E. Parrish. This was a beautiful and inspiring book...a must read for anyone interested in the Divine Feminine and Esoteric Christianity." - Rev. Tom Simota, Celestial Light Circle, St. Paul, MN.

Suspend belief as you explore worlds and dimensions where your dreams become reality and your reality is only a dream. Open your mind to a myriad of possibilities that have previously only dwelt in the imagination. More mind-bending concepts for those with open minds and eager curiosities.

- * Other lives as animals, plants and in strange, otherworldly bodies.
- * Everything is alive. Everything has consciousness.
- * Help from beings of faraway worlds.
- * The three waves of volunteers who are coming to help the world go through its transition.
- * What is God? The true nature of God or the Source, where all come from and all must go back to.
- * Lifetimes as Creators of universes, the Earth and everything on it.
- * Different laws of creation and physics where universes obey other rules.
- * The New Earth and the effects on our bodies as we move into it.
- * Who will be left behind when the Earth moves into the next dimension.
- * A totally new alternative to a walk-in.
- * The Final Solution Energy that can destroy the world if necessary.

About the Author: Dolores Cannon is a past-life regressionist and hypnotherapist who specializes in the recovery and cataloging of "Lost Knowledge." Her roots in hypnosis go back to the 1960s. She has been specializing in past-life therapy since 1979. Dolores has become, perhaps, the world's most unlikely expert on the prophecies of Nostradamus. A retired Navy wife from Huntsville, AR, Dolores was nearly fifty years old when she began experimenting with hypnosis and past-life regression. Working through several different subjects, she was able to establish communication with the living Nostradamus. His revelations and their impact on our own time, as recorded in her popular *Nostradamus* books, are both fascinating and sometimes a bit frightening.

First Journal of the Ancient Ones

Elder Gods of Antiquity

By M. Don Schorn

ISBN # 9781886940796. Softcover. 520 pp. \$17.00. Ozark Mountain Publishing. February 2008.

This initial volume of a new trilogy reveals the flaws and inconsistencies with our present explanations for humanity's origins and Earth's development. Reexamination of geological, archaeological, and paleoanthropological records produced the Elder Gods theory, which explains Earth's past and humankind's evolution as the result of ancient contact with extraterrestrial visitors. This theory proposes that interventions by two different groups of otherworldly beings influenced Earth's development and humanity's ancestry. The first group emerged shortly after the Big Bang genesis, achieving great advancements that culminated in a coalition to assist younger emerging worlds. After billions of years, they contacted our solar system where life was first developing on a neighboring planet. Much later, those younger beings from within our solar system contributed to humankind's genetic lineage, and more recently influenced Earth's cultural developments after c.3150 B.C. Our known archaeological findings do not fully support conventional explanations for Earth's development, or the emergence of humankind as a species. But the Elder Gods theory offers a revised account of our past. Archaic evidence and ancient texts suggest that extraterrestrial influences may have been present since primordial times.

About the Author: Don Schorn worked for many years as a Detroit automobile manufacturers' representative, where his extensive manufacturing and design experience in the thermoplastics molding industry led to the development of a number of new processing techniques and numerous patentable innovations. Since 1995, he has pursued a second career in writing. His extensive studies in cosmology, paleoanthropology, geology, and archaeology, along with his research into ancient records and sacred texts, has led to the completion of five works: A trilogy, *Journals of the Ancient Ones*, which reveals Earth's primordial development and the emergence of humankind; *Reincarnation...Stepping Stones of Life*, which tells how to implement the reincarnation concept as a way of life; and a novel, *Emerging Dawn*, which details a near-future global search for ancient artifacts connected to the Mayan end-time prophecy for December 21, 2012.

* Who was Mary Magdalene and what was her real connection with Jesus?

* Extensive new information about the secretive Essene mystery schools.

It is one of the great tragedies of Western culture that Christianity forgot and eventually denied its Essene roots. Those roots are herein explored from the perspective of past life regression. Fascinating new information emerged, including Essene links with the Druids, the existence of a secret Core Group around Jesus, and contacts with the Order of Melchizedek.

Perhaps the most remarkable thing is that the Essene Jesus is restored to us, bringing to life the wise and loving Being who has been obscured by so much doctrine and dogma. His words speak to us across the centuries and open a clearer understanding of the Way which he established, and the ultimate goal of that Way.

This book makes clear that Jesus did not stand alone. He had the backing of a powerful and dedicated team of Essenes, including Joseph of Arimathea. Thanks to the technique of past life regression, this story can now be told for the first time, opening up a fascinating window onto a unique and vital time in history.

"This is a fabulous view of these remarkable people which correlates to the new consciousness that is awakening on Earth at this time. Their message is clear and from Spirit." - D. Giammarino, AMAZON.COM.

"A very insightful book, filling in missing links about the life of Jesus of Nazareth and the importance of the core group who surrounded Him. It explains the different fields of thought within the body of the Essenes themselves. A most enlightening read." - Nancy Jakeman, AMAZON.COM.

SLEEP, SOUL and SCIENCE. The PLANETS and STARS: How do they move us humans? DREAMS: Open windows showing us all our tomorrows! With this inspirational, educational, once-"lost" and now newly-surfaced book by Nostradamus, you'll never again face the future unaware, uninformed or afraid. "Escape! Into a far distant land, and is this mysterious book from Nostradamus' own hand not guidance enough for you?" - JOHANN WOLFGANG von GOETHE

ISBN # 09686022-1-5. Hardcover. 261 pp. 8" x 5.25." Special 500th Anniversary Edition. Vasitha. July 2003. \$20.00. The author writes: "In this book we explore the interplay between sleep, dreams and Nostradamus.

"We explore how scientists have explained the basic and essential human necessities known as 'sleeping' and 'dreaming.'

"Since everything that exists has more than one aspect to be considered in getting to the bottom of its nature, may I be YOUR guide to understanding, from a spiritual point of view, the concept of Sleep/Dreams?

"What you read in my book is based not on my imagination, but on Creation's Fundamental Law of 'Cause and Effect.' According to Nostradamus, these Fundamental Laws determine events here on earth and shape our individual life and future.

"Understanding these Laws will open the door to an extraordinary journey into YOUR mind and soul as well as into the meaning of life on earth itself. The overall picture emerging from daytime (conscious) and nighttime (subconscious) activity will bring home to you important and powerful enlightenment as regards the essentially invisible, but so effective, period we call 'sleep.' It will lead to an understanding of the pulsating power of the radiation that holds the universe, Earth and human beings together in a harmonious whole. It will serve as a testament to your fundamental inner core, to your Soul/Spirit—to the force that drives you to take charge of your destiny and that changes your life forever."

ABOUT THE AUTHOR: Dietlinde (Dita) Arzt was born in Sudetenland (Bohemia). Destiny brought her to Canada in 1969, where she held a position as vice-president in an international cosmetic company for over 25 years. Angel Readings for Beginners

By Elizabeth J. Foley

ISBN # 9780980080629. Softcover. 88 pp. \$14.95. Angel Street Publishing LLC. October 15, 2008.

This is a first of a kind book and very unique. Angels are powerful messengers and we can hear their loving words when we choose to open our hearts and minds. In her new book, Elizabeth unveils the mystery and technique behind angel readings. It is written in a very clear and simple way, and you will learn how easy it is for anyone to conduct an angel reading using any deck of oracle cards.

An angel reading is a great way to begin a dialogue with your angelic team and an angel reading can consist of using divination tools like pendulums, dowsing rods, tarot and oracle cards. Learning how to conduct an angel reading for yourself or another can help you receive powerful messages from the angelic realm.

Here is what readers had to say about Elizabeth J. Foley's first book, *Awakening the Lightworker Within*, published by Angel Street Publishing in January 2008:

"Compelling...inspiring! Elizabeth Foley takes us on her personal spiritual journey that is undeniably real and awe inspiring. I highly recommend this heartfelt book for all those embarking on their own spiritual path." - Psychotherapist, Author, Sound Healer.

"Elizabeth's journey was not an easy one, and this book takes the reader on an incredible enlightening process of finding the divinity within. While reading, you just might discover your own path, wings and Divine connection!" - John Holland, psychic medium and author.

Lee Carroll, renowned author of the *Kryon* book series and *Indigo Children*, wrote in his foreword to *Awakening the Lightworker Within*:

"What if a book like this helps you work more quickly through things that took Elizabeth a very long time...? Readers acknowledge that this is indeed happening."

Miracles Only Come in One Size

By Lois A. Enochs

The Nephilim and the Pyramid of the Apocalypse

By Patrick Heron

ISBN # 9787600130649. Paperback. 158 pp. Insight Publishing. \$16.95. February 2007.

Miracles Only Come in One Size has a unique way of informing readers about their personal creative power. Through her own amazing experiences, the author conveys the truth that indeed anyone can create and experience everyday miracles. These experiences include a near-death episode, an apparent visit by an angel, and finding the perfect home or work situation. They reveal miraculous outcomes in situations we all encounter on a regular basis.

These true accounts (intertwined with the Universal Laws that brought them about) create a very readable combination of stories and how-to's. They aptly reveal how our thoughts, words, and behavior create our every circumstance—intentionally or unintentionally.

This book won't leave you thinking, "Why don't things like that happen to me?" You will be saying, "I can do that!"

"A fantastic read!" - Catherine Ponder, author, *Dynamic Laws of Prosperity*.

"As the science of medicine is growing more sophisticated, we're learning that the unseen world around us and within us has great importance to our healing. In this book, Lois Enochs gives us examples and tools from her life so we can access this healing power. This information is important as we move towards true healing." - Gladys McGarey, M.D.(H), recognized as the mother of holistic medicine, author, *Born to Live*.

"Having known Lois Enochs for more than twenty years and sharing so many of her experiences, it is a joy for me that she is sharing those experiences with others. I have always felt as if she could write in a way to reach individuals that would give them insights into their own spiritual paths and journeys. It is done." - Karen Fletcher, psychic and medium.

ABOUT THE AUTHOR: Born and raised in Greenville, Ohio, Lois A. Enochs has also lived and worked in Europe, Texas and Arizona. She has been a federal employee, a corporate executive, and a photographer, and many experiences have crossed her path—some ordinary, many extraordinary. Through the years, her interesting and varied experiences have provided evidence of unseen power and become the proof of what she has come to know as Universal Truths. Lois currently resides in Phoenix, Arizona.

ISBN # 0806528109. Paperback. 241 pp. \$13.95. Patrick Heron Publishing. January 2007. No. 1 bestseller in the Prophecy category on AMAZON.COM for almost two years.

GIANTS AMONG MEN. They appear in the first pages of the Bible: sons of God who coupled with mere mortals before and after the Flood. They are the fallen angels, and their children—the Nephilim—are the true builders of the pyramids and the other great monuments of ancient history.

THE TRUTH BEHIND THE MYTH. The author examines ancient texts from Genesis to Enoch to Revelations to once and for all establish the true identity of this mysterious lost race of giant beings. Are they angels? Genetic monsters? Are they characters of myth and fable? Are they still among us? Within these pages lie the answers to these questions.

SOLVING THE RIDDLE OF THE PYRAMIDS. The author's astonishing findings address the importance of the pyramid shape and its evil aim of supplanting the City of God. The riddle solved, Heron illuminates the significance of the pyramids in helping us navigate the coming Apocalypse.

"For fascinating research regarding the pyramids of Egypt and the Nephilim of Genesis, Patrick Heron's book stands supreme." Dr. I.D.E. Thomas, author, *The Omega Conspiracy*.

"Stole my interest and never let it go....carefully walks each reader through the origin of the Nephilim and their role in history." - J. Ryll, Orlando, FL.

"One of the few non-fiction books based on biblical, historical and academic sources in Egyptology and Greek mythology that I would classify as a thriller....It is too interesting to pass by." - Stephen Spencer, Ohio, U.S.

ABOUT THE AUTHOR: Patrick Heron was born in Dublin in 1952 and holds a B.S. and M.A. in Business Studies from Trinity College, Dublin. At the age of 24, he began a Christian walk following an epiphany he experienced while reading the Bible. In 1997, having become interested in Bible prophecy concerning the "end times," Patrick published his first bestselling book, *Apocalypse Soon*. He lives in Dublin with his family.

Totally Revised and Expanded Version of *Conversations with Eternity: The Forgotten Masterpiece of Victor Hugo*

VICTOR HUGO'S CONVERSATIONS WITH THE SPIRIT WORLD: A Literary Genius's Hidden Life

By John Chambers

ISBN-13: 978-1-59477-182-8.

ISBN-10: 1-59477-182-0.

Quality Paperback. 384 pp. 9'x 6'.

3 Illustrations. January 2008.

Inner Traditions / Bear & Co./

Imprint: Destiny Books. \$18.95.

Victor Hugo's Conversations with the Spirit World covers an up-until-now undocumented part of Victor Hugo's life: August 1853 to December 1855, when, while in political exile on Jersey Island in the English Channel, he participated in numerous "tapping-table" séances.

The many seance transcripts, translated into English for the first time in this book, attest that well over 100 spirits manifested to the author of *Les Misérables*, his family, and his fellow political exiles. These included shades of the illustrious dead, like Shakespeare and Galileo, and spirits who said they'd never been alive, like the Shadow of the Sepulcher and Death. Aliens from Mercury and Jupiter spoke through the tables, with the Mercurians channeling drawings of themselves. Jesus, during three visits, condemned druidism, faulted Christianity, and suggested a new religion with Hugo as its prophet. The spirit of Mozart, using a real piano, struggled to compose a symphony. Led by "Balaam's Ass," the spirits set forth for the seance attendees a forbidding picture of mankind's cosmos as a giant prison shaken by the winds of a metempsychosis entailing the passage of every soul through plants, animals and stones as well as humanoids. The spirits strove to help Hugo, family, and friends, cope with the unforgiving universe in which we live.

Victor Hugo's family and his friends come to life in the pages of this book. The novelist/poet's three children, all in their 20's, vital, talented, indomitable, reluctantly followed their world-famous father into exile. Charles, the oldest, is the begrudging medium, furious and rebellious under his apparent compliance. Adèle, the diarist, is on the verge of schizophrenia as she falls in love with the dangerous Lieutenant Pinson. François-Victor, troubled but scholarly, settles into the task of translating the complete works of Shakespeare. Count Sandor Teleki, valiant but war-weary, leader of the Hungarian contingent of political exiles, finds unexpected solace in the tapping tables. We meet the French Emperor Napoleon III, Victor Hugo's greatest enemy, wandering through the corridors of his palace in the night. A host of brilliant men in exile, frustrated, bitter, frenzied, living in a seething microcosm of daily political and personal turmoil, mingle with the spirit world and grapple with their destiny in *Victor Hugo's Conversations with the Spirit World*.

ROCK STAR POWER PROPELS HUGO'S CONVERSATIONS. (June 17, 2008.) A mention of *Victor Hugo's Conversations with the Spirit World* by rising 28-year-old Brit rock star Natasha Khan in an interview in the *Manchester Guardian* for Monday, June 16, sent sales of the book soaring on **AMAZON.COM.UK** (and probably in bookstores). **Go to <<http://www.newpara.com/booknews.htm>> for story.**

"Things to do on Jersey when you're dead..." *This intriguing corner of the great novelist's life is exceptionally well documented in Victor Hugo's Conversations with the Spirit World, by John Chambers. Chambers, the first person to translate the séance transcripts into English (in an earlier edition of this book), does a fine job of evoking the atmosphere of the exiles' home away from home, their bitter homesickness and burgeoning fascination with the occult. His book is unusually well written for a study of this kind, laced with keen character sketches and absorbing sidelights on William Blake, James Merrill, and the Kabbalah. He presents the facts without undue speculation and lets his readers draw their own conclusions... Victor Hugo's Conversations with the Spirit World is a superb contribution to literary history and to the study of the paranormal. I recommend it highly."*

"Hugo comes across as a complex man—as one would expect—egotistical and selfish, overbearing towards his family, yet sensitive and passionate on occasion. He was also capable of surprising insights, musing on time running backwards, or prefiguring David Bohm's holographic universe. While not convinced that the séances were 'the greatest... adventure into the supernatural that has ever been recorded,' I would agree that this is a fascinating story, and it is told in an engaging way." - Tom Ruffles, NTHPOSITION Online Magazine, March 2008.
