Discovery of Atlantis The Startling Case for the Island of Cyprus By Robert Sarmast

ISBN 1579830129. Quality trade paperback. 220 pp. 67 illustrations. October 2003. Origin Press. \$22.00.
(see next page)

Is Atlantis off the south coast of Cyprus?

Find out in this revolutionary interpretation of Plato's celebrated story: Plato provided nearly 50 physical clues in his famous dialogue *Critias*—the original account of the story of Atlantis. In this book, author Robert Sarmast cracks the Atlantis mystery wide open by demonstrating how simple facts about the eastern Mediterranean region and the island of Cyprus provide a near-perfect match with Plato's detailed narrative.

View the First Scientific Maps that Reveal the Underwater Location: Exclusive 3-D bathymetric maps based on new scientific data, presented here for the first time in a series of 67 illustrations, show a stretch of sunken land off of Cyprus. The general layout of the landscape of Atlantis as described by Plato is easily discernible in this underwater landmass, as well as the apparent location of its capital—Atlantis City!

Discover for Yourself: The Startling Case for the Island of Cyprus: This robust empirical data is joined with other original findings in ancient history, mythology, and natural history, making the case for Cyprus increasingly obvious. With this thoroughly original and plausible theory, author Robert Sarmast brings the legendary island of Atlantis alive in a way that will fascinate and thrill Atlantology fans—or anyone who has ever wondered about one of the greatest mysteries of all time.

The Expedition: Watch Atlantis Come Alive: With the location so clearly mapped in this book, the next step in this exciting research is an expedition to the region. Humankind may soon witness the filming of the colossal ruins of this once-mighty empire and proceed to resurrect Atlantis from its watery tomb!

About the Author: This is the first in a series of books on Atlantis by Robert Sarmast, an independent writer and mythologist who is based in Los Angeles. Sarmast has spent over a decade researching Atlantology and related mysteries of the ancient world. In recent years, a more literal reading of Plato led him to undertake a detailed search for clues in the eastern Mediterranean. His work now includes geophysical data and sophisticated computer modeling of the region. Sarmast's research has culminated with his conclusion that Plato's Atlantis is located in the proximity of the island of Cyprus. **For further information, go to the author's website at <www.discoveryofatlantis.com>.**

The Charmed Garden Sacred and Enchanting Plants for the Magically Inclined Herbalist By Diane Morgan

ISBN 1-84409-034-5. Illustrated paperback. 208 pp. May 2004. Findhorn Press. £ 9.95.

A garden is a place where we feel at peace, and where more than anywhere else we can feel close to nature and the earth. A garden is also a place of secrets and mysteries. What is more mysterious than the secret curled within a seed? What more magical than the slow unfolding of a rose? The garden holds the key to many secrets—even the secrets of life and death. Plants contain not only powerful healing attributes, but also some of the most deadly toxins known. Very often, these two properties co-exist within the same plant.

Plants have an elemental wisdom unknown to the kingdom of animals. From sun, earth, air and water, from these simple things, rise towering oaks and delicate violets, deadly nightshade and healthful herbs. All gardens are magical places. They occupy the threshold realm between the wild and the civilized, between human beings and nature. Their ambiguous character, half wilderness, half paradise, fills them with mystery.

The Charmed Garden will help you create a garden of botanical magic in its spiritual sense. You can tune into your inner self and discover what plants you need to have around you, flowers that will lift your spirit and nourish your soul. A garden of delight awaits you in this book, taking you to a place of magic and joy.

Divine Providence

New Century Edition of the Works of Emanuel Swedenborg

Translated by George F. Dole. Edited by Jonathan Rose.
Foreword by Gregory R. Johnson

ISBN 0-87785-505-6. Paperback. 410 pp. 2003. Swedenborg Foundation. \$15.00.

Divine Providence, a companion piece to *Divine Love and Wisdom* (0-87785-481-5), depicts God's caring for individuals and all of creation, enlisting humanity in a process of making free choices to create a heaven from the human race. In this important work, Swedenborg describes individual human freedom as inherent in creation, empowered by a God-given ability to understand and make wise choices.

This paperback edition is complete with translator's preface by George F. Dole, introduction by Gregory R. Johnson, scholarly notes, table of parallel passages, index of Scripture references, and an index to the translation.

"Written at a time of intense philosophical and theological debate on the nature of God's governance of the world, Swedenborg's Divine Providence

is in many ways far more original and thought-provoking than anything produced by his contemporaries. George F. Dole's translation is extremely readable, and Gregory R. Johnson's authoritative introduction not only explains Swedenborg's often difficult ideas, but places them in their historical context." - Glenn A. Magee, Ph.D., author, *Hegel and the Hermetic*.

Divine Love and Wisdom

New Century Edition of the Works of Emanuel Swedenborg

Translated by George F. Dole. Edited by Jonathan Rose.
Foreword by Gregory R. Johnson

ISBN 0-87785-481-5. Paperback. 320 pp. 2003. Swedenborg Foundation. \$15.00.

In *Divine Love and Wisdom*, Swedenborg presents a vision of a universe so full of divinity that there is no room for sectarianism. He reaches out to the secular mind with a vision of order and beauty pregnant with meaning and direction and appeals to human experience and reflection in making the case for the presence of God's love and wisdom. Swedenborg outlines God's purpose in creating the natural universe, examining the means, structure, method, and goal of creation, providing a metaphysical base for a coherent, holistic existence.

This paperback edition is complete with translator's preface by George F. Dole, introduction by Gregory R. Johnson, scholarly notes, table of parallel passages, index of Scripture references, and an index to the translation.

"Divine Love and Wisdom contains many rare treasures, not only for seekers of spiritual truth, but also for scientists exploring the reach and nature of human consciousness. There are few books that I would praise so highly." - Jeffrey Mishlove, Ph.D., host, *Thinking Allowed*.

"Divine Love and Wisdom contains Swedenborg's major statement on two fundamental aspects of God's nature. These two basic cosmic forces intimately determine our life as human beings. 'Love' denotes the vital, valuing, and active powers of the soul, deciding the ultimate goals of our thought and action. 'Wisdom,' by contrast, represents the cognitive power of the soul, providing the technical means for these goals' realization. Swedenborg's work shows how God is love and life itself, bestowing these gifts on all other creatures. This highly readable **New Century Edition** in George Dole's sensitive translation admirably reflects the coherence and consistency of Swedenborg's language, while Gregory

Johnson's introductory essay on Swedenborg's Metaphysics of Creation offers a comprehensive guide to this important theological work." - Nicholas Goodrick-Clarke.

Heaven and Hell

New Century Edition of the Works of Emanuel Swedenborg

Translated by George F. Dole. Edited by Jonathan Rose.
Foreword by Bernhard Lang

ISBN 0-87785-476-9. Paperback. 535 pp. 2003. Swedenborg Foundation. \$15.00.

This edition of the latest translation of Swedenborg's classic work has received great praise from readers and scholars. Available in a beautiful paperback edition, with a two-color interior, this book will open the doors of perception to readers.

"Emanuel Swedenborg's work is a vast, complex, dazzling world, filled with lands and seas of extraordinary beauty and richness. . . . Now George F. Dole has swept away the stuffiness and stiffness of earlier [translations] and given us Swedenborg as he is meant to be: a thrilling visionary, a poetic seer of the first order. In every respect, this is a triumph." - Philip Zaleski, Editor, *The Best Spiritual Writing* series.

The Song That Never Ended

A Jazz Musician's Journey to a Love Beyond Life By John Novello

ISBN 1-8921380-9-3. Paperback. Illustrated. 260 pp. June 2003. New Paradigm Books. \$16.95.

Jazz musician John Novello tells the story of how he lost his jazz singer wife to cancer, celebrated her life at a music-filled public life tribute, and found that she had never left him. His story unfolds against the glittering backdrop of the Los Angeles jazz scene of the 1980's-1990's. Through its pages stream a dazzling group of rock greats including Stevie Wonder, Billy Sheehan, Donna Summer, Chick Corea, Ritchie Cole, Manhattan Transfer, A Taste of Honey, and many more. Hammond B3 organist/composer John Novello (also the author of *The Contemporary Keyboardist*) and virtuoso vocalist Gloria Rusch form a part of this multi-textured tapestry. But place and time take a back seat to the post-life "interdimensional" communications between John and his deceased wife Gloria; these form the glowing center of this wonderfully moving book. *The Song That Never Ended* will give heart to all those who have never ceased to mourn a loved one.

"This is not only a truly fascinating and well-written book, but a valuable contribution to the evidential literature about the Afterlife." - Prof. Dr. Hans Holzer, parapsychologist and author of 126 books including *Ghosts and Life Beyond Life*.

"Of the afterlife contacts with his wife, Gloria, the evidence presented supports John's conclusion that she is still by his side. I recommend this book to all who have lost a loved one." - Donald R. Morse, D.D.S., Ph.D., *The Journal of Religion and Psychical Research*, Vol. 26, No. 4, October 2003.

"A profoundly spiritual accounting....a highly recommended addition to New Age spirituality and metaphysical studies reading lists, as well as of immense interest to John Novello fans." - *Midwest Review*, July 2003.

"My courses on life after death generally produce positive effects. Mr. Novello's book likewise provides similar support for its readers, although on experiential not empirical grounds, and for that reason is valuable." - Arthur Berger, International Institute for the Study of Death, Aventura, FL.

"What makes this book work so well is its blunt honesty and approach to dying, and how it was for Gloria fighting breast cancer and her husband John trying to discover an alternative cure to save her life. There is much sadness and much joy in this book." - Lee Prosser, *Ghostvillage*, 2003.

A Hundred Ways to Sunday

By Robin Rice

ISBN 0-9710876-4-4. Paper. 234 pp. November 2001. Be Who You Are Productions. \$13.95. The "A Hundred Ways Interactive Guided Drumming CD" is also available.

Mary Margaret Hathaway has been told by shamans the world over that she is The One. If only they had been willing to tell her what The One is supposed to do. Following synchronicities like bread crumbs, she comes to her true beginning in Canyon de Chelly, Arizona. With the desert to test her, she meets teachers in the form of a five-year-old boy, a 108-year-old man, and a host of others in-between. A story of the arduous journey to becoming who we really are, *A Hundred Ways To Sunday* is a work of real world spiritual fiction that offers hope for everyone who believes there is something more to this world than what our five senses can reveal.

About the Author: Robin Rice is a practicing shaman and personal growth workshop facilitator. Before graduating from Northwestern College, she founded Nanny Placement Services. She then self-published *The American Nanny*, which sold 5,000 copies in six months and was released in an expanded version by Harper and Row. She is co-author with Joani Nelson Horchler of *The AIDS Survival Guide*, and has written columns for *Sesame Street Parent's Guide Magazine* and *Welcome Home Magazine*.

Healing as a Sacred Path: A Story of Personal, Medical, and Spiritual Transformation

By Robert L. Keck

ISBN 0-87785-389-4. Hardcover. 336 pp. 2002. Swedenborg Foundation. \$24.95.

L. Robert Keck, author of the highly acclaimed *Sacred Quest*, tells his remarkable story of a life of pain and determination. A survivor of polio, of a broken back, and of chronic, crippling, and progressive pain from post-polio syndrome, Keck details his lifelong battle to be a whole human being: a man of mind, body, and spirit. At the heart of his story lies the recognition that spirituality—the discovery of our true “soul self”—is the most important ingredient in health promotion, disease prevention, and healing from physical and emotional trauma.

“An absolutely stunning book by a brilliant and compassionate man.” - Caroline Myss, author of *Sacred Contracts*.

“Bob Keck’s genius resides in his heart as well as his mind.” - Joan Borysenko, author of *Minding the Body, Mending the Mind*.

“Strength, understanding, and inspiration: these are the fruits of reading about L. Robert Keck’s healing journey. . . . Keck shows how spirituality is returning at long last to modern medicine and why this is one of the most important developments of the new millennium. Well-written and erudite, this book deserves a wide embrace.” - Larry Dossey, M.D., author of *Healing beyond the Body* and *Reinventing Medicine*.

As For Tomorrow, I Cannot Say

33 Years with Multiple Sclerosis

By Diana Neutze

A joint publication of New Paradigm Books and Hazard Press, New Zealand <<http://www.hazard.co.nz>>. ISBN 1877270172 (N.Z.). ISBN 1892138069 (U.S.). Paper. 104 pp. February 2002 (U.S.). \$13.95.

New Zealand poet Diana Neutze was in her late 20's, living in London with her husband and young son, when she discovered that she had multiple sclerosis. More than three decades later, wheelchair-bound and largely confined to her Christchurch home, she has told her remarkable story. Fiercely independent and passionately determined, she has fought the illness with every psychological and physical weapon in her armory. *As For Tomorrow, I Cannot Say* is a tribute to the power of the human spirit.

“I am recommending it to young doctors because it contains insights into managing multiple sclerosis that they will not find in their textbooks.” - Jon Simcock, M.D., Neurological Foundation of New Zealand, Auckland

“A manifesto of spunk...the best thing about this little book is that 'victim' isn't part of Neutze's vocabulary.” - J. Godfrey, Wanganui newspapers

“This book is a revelation and an inspiration....[It] deserves to remain in print forever, as a classic resource.” - Rachel McAlpine, *Quality Web Content*

“A story of courage, determination and extraordinary creativity.” - Helen J. O'Neill, *TAKAHE Literary Magazine*

Encyclopedia of Thai Massage

A Complete Guide to Traditional Thai Massage Therapy and Acupressure

By C. Pierce Salguero

ISBN 1-84409-029-9. Paperback with many colour photographs and charts. 264 pp. May 2004. Findhorn Press. £ 14.95.

The Encyclopedia of Thai Massage is the single most informative and comprehensive book on Thai massage ever written. This book is based on the author's experience teaching in Thailand's most prestigious massage schools. The work also draws heavily from the author's long hiatus in Thailand as a researcher of traditional medicine, as well as his experience with the practice of hatha yoga.

Including discussions of Thai history, cultural studies, Buddhist religion, and yogic practices, and based in a modern understanding of anatomy and physiology, this book finally bridges the gap between the theory and practice of Thai massage. For the first time, the history, spiritual traditions, and ethical codes of Thai medicine are presented in full alongside the most detailed analysis of Thai massage therapy ever written. Example therapeutic routines to treat specific disorders are discussed for the first time. A complete section on the Thai energy meridians and an atlas of acupressure points are also to be found only within these pages.

Where other books have only scratched the surface, this work will satisfy even the most advanced practitioners of Thai massage, while being written in an engaging and informal style which will speak to those with no prior exposure to the art form.

About the Author: Pierce is an accredited teacher of traditional Thai massage and herbal medicine, and is a member of the Shivagakomarpaj lineage, the Association of Northern Thai Medicine, the American Herbalists Guild, and the Associated Bodywork and Massage Professionals. His organization, the Tao Mountain School of Traditional Thai Massage and Herbal Medicine, is one of the top schools of Thai massage in the U.S., and maintains one of the most popular on-line sources of information on Thai healing traditions.

10% of the author's proceeds from sales of this book are donated to charities and non-profit organizations working with healthcare in Thailand.

THE SECRET REVELATION

Unveiling the Mystery of *The Book of Revelation*

By Stella Religa with Byron Belitsos

ISBN 1-931254-07-9. Paperback. 374 pp. October 2002. Origin Press/Celestia. \$21.00.

The Secret Revelation challenges this generation of Christians with a hopeful and original interpretation of John's prophecy based on *The Urantia Book* and provides a comprehensive introduction to *The Urantia Revelation* for Christian believers.

The *Book of Revelation* has sparked debate, confusion, fear, and even armed conflict for two millennia; it is perhaps the most controversial document of all time. Its apocalyptic symbols have inspired uncountable interpretations and untold mischief throughout the Christian era. Today, this ancient text is very much alive: based on their reading of it, tens of millions of Christians believe that a dire series of "end-time" events is imminent. But will such things really come to pass? Anyone concerned about the future of our planet—and the core teachings of Christianity—needs to come to terms with *The Book of Revelation*.

Scholars have speculated that John's original writings were distorted, altered, added to—and that much was simply lost. *The Secret Revelation* confirms that finding, corrects the errors, and adds a vast amount of new insight. Apostle John was forced to write in codes and symbols, but from his celestial abode he now speaks out once again to reveal what he actually saw and wrote. *The Secret Revelation* removes the secrecy from *The Book of Revelation* once and for all, unveiling the sublime grandeur of St. John's original vision.

Disturbed by the images of impending apocalypse now being broadcast so widely by Christians, author Stella Religa went in search of the truth about biblical end-times prophecy. Using *The Urantia Book* as a crucial reference, and gifted with extensive celestial assistance, Ms. Religa painstakingly reconstructs the Apostle John's original vision that now lies buried in *The Book of Revelation*. She discovers that there will be no Antichrist, and no Armageddon; there will be no "late great planet earth." Instead, you will learn that John's original message—inspired by a great and heavenly vision—was exclusively one of love and mercy, containing gentle but firm warnings to future believers.

About the Authors: *Stella Religa's* life-long interests have been religion and world politics, and she has been an ardent community activist. She founded the Whittier chapter of the National Organization for Women, and was also founder of a shelter for battered women and children. Stella lives in Whittier, CA., and is a long-time student of *The Urantia Book*. *Byron Belitsos* provided editorial assistance. Byron studied theology and history of religion at University of California (Berkeley and Santa Cruz). He is the publisher of Origin Press and of its imprint, Celestia.

ETERNAL TREBLINKA

Our Treatment of Animals and the Holocaust

By Charles Patterson

ISBN 1930051999. Paperback. 312 pp. March 2002. Lantern Books. \$20.00.

The title of the book is from a short story by the Yiddish writer and Nobel Laureate Isaac Bashevis Singer (1904-91), to whom the book is dedicated: "In relation to them, all people are Nazis; for the animals it is an eternal Treblinka."

The book examines the origins of human supremacy, describes the emergence of industrialized slaughter of both animals and people in modern times, and concludes with profiles of Jewish and German animal advocates on both sides of the Holocaust, including Isaac Bashevis Singer himself.

About the Author: Charles Patterson, Ph.D., is the author of *The Oxford 50th Anniversary Book of the United Nations, Anti-Semitism: The Road to*

the Holocaust and Beyond, The Civil Rights Movement, and From Buchenwald to Carnegie Hall (co-author). He lives in New York City.

"In *Eternal Treblinka* we are presented for the first time with extensive evidence of the profoundly troubling connections between animal exploitation in the United States and Hitler's Final Solution." - from the Foreword by Lucy Rosen Kaplan, Esq.

"Compelling, controversial, iconoclastic...strongly recommended...a unique contribution." - *Midwest Book Review*

"Charles Patterson's book will go a long way towards righting the terrible wrongs that human beings throughout history have perpetrated on non-human animals. I urge you to read *Eternal Treblinka* and think deeply about its important message." - Dr. Jane Goodall

"*Eternal Treblinka* should be on every list of essential reading for an informed citizenry...for the compelling comprehensiveness of the life-and-death story it tells." - *National Jewish Post & Opinion*

"There are good books...entertaining, useful, informative; great books...whose message reveals a fundamental truth previously unknown or overlooked; and important books...that can save lives and ameliorate suffering: *Eternal Treblinka* is all three." - *Satya Magazine*, New York City

"The moral challenge posed by *Eternal Treblinka* turns it into a must for anyone who seeks to delve into the universal lesson of the Holocaust." - *Maariv* (Israeli newspaper)

"Important and timely...written with great sensitivity and compassion. I hope that *Eternal Treblinka* will be widely read." - *Martyrdom and Resistance* (Holocaust publication)

"It is seldom that such a comprehensive work of scholarship springs from a heart of compassion in the service of a noble and necessary idea. All the ingredients of your thesis—that the oppression of animals serves as the model for all other forms of oppression—have been available to thinking people for generations, but it remained for you to pull them together." - Helen Weaver, author of *The Daisy Sutra*

"Powerful, moving, gut-wrenching, brilliant—destined to be a classic." - Aviva Cantor, journalist and author

"It grips like a thriller." - *The Freethinker* (UK)

"...promises to be one of the most influential books of the 21st century." - Dr. Karen Davis, *United Poultry Concerns*

Conversations with Eternity: The Forgotten Masterpiece of Victor Hugo

Translated with a commentary by John Chambers, with an introduction by Martin Ebon

ISBN 1892138018. Paperback. Illustrated. 262 pp. November 1998. New Paradigm Books. \$13.95.

"Compared to the soul-destroying banality of most séance texts, the Marine Terrace corpus is a literary masterpiece, the unconscious product of a naturally dramatic mind" (Graham Robb, *Victor Hugo: A Biography*, 1997). From August 1853 to December 1855, while in political exile at Marine Terrace, his home on the Channel island of Jersey, the famed author of *Les Misérables* participated in numerous "table-tapping" séances.

At least 115 "spirits" communicated with him, his family and fellow political exiles. The group of alleged discarnate entities included the illustrious dead such as Shakespeare, Plato and Galileo; legendary animals like Balaam's Ass and the Lion of Androcles; entities who claimed to have never been alive, like the Shadow of the Sepulcher and Death; a series of abstract concepts with names like 'India,' 'Metempsychosis,' and 'Ocean,' and aliens from the planets Mercury and Jupiter. The first translation into English ever of the most important of the transcripts of these séances, with an introduction by Martin Ebon setting Hugo's channeling experience in its historical context. Were the séance texts really only "the unconscious product of a naturally dramatic mind?" The answer is not simple; in attempting to discover it, *Conversations with Eternity* takes the reader into the heart of one of the greatest--and least-known--mysteries of all time.

"Quite a surprise, quite a delight." - *The Anomalist* (Best Books of 1998)

"This is a total adventure, and I would have given my eye-teeth to be there." - *NAPRA Review*

"Strangely alive, pregnant with a timely spiritual urgency." - *Fate*

"Does fascinate and challenge the reader." - *Journal of Religion and Psychical Research*

"Challenging, memorable, poetic utterances abound." - *Foreword*

"The best book on channeling in years." - *Fortean Times*

Future Prospects of the World According to the Bible Code

By Joseph Noah

ISBN 1-8921380-7-7. Paperback. Illustrated with 61 Matrix Slides. 208 pp. February 2002. New Paradigm. \$16.95.

From the *Foreword*: "On the morning of the 11th of September, 2001, the world changed with the destruction of the World Trade Center in New York. President Bush described it as the beginning of a long struggle between good and evil. He was right. According to the Bible Code, it was the start of a ten-and-a-half-year countdown, the time and half time as prophesied in Daniel 12 of the Old Testament and also described in the last book of the New Testament, *The Revelation to John*."

Using the Bible Code, Joseph Noah searched Daniel and Revelation and uncovered grim prospects for our future: H-bomb wars between East and West, asteroid strikes, plagues, a 20-degree pole shift, a generation of still-born babies, and much more. He places these prophecies, which he calls only "prospects," in the context of previously unknown Bible Code predictions that have come true. The author leads us through a sweeping historical analysis that includes both the known and unknown history of mankind (among the latter: the story of the ever-reincarnating angelic forces that guide our destinies). Noah insists that through acts of goodness we can change our future, and reveals the glowing vistas of peace and prosperity that await mankind—if we can only grow up.

"A lot of significant new details have been discovered in this book, particularly for the period 2010-2012." - *EXODUS 2006 Web Site* <<http://exodus2006.com/codes2.htm>>.

"Its depth and focus are intense and eye opening...For those of you that are into religious theology, this is a must read, and would make a wonderful addition to your spiritual library." - Ann Findley, *PAATHways Magazine*, May-June 2003.

"This is a scary book in many ways, for it sets out to establish further findings in the Bible Code index. It is also a guide to survival, and for the readers of paranormal writings it will prove interesting reading." - Lee Prosser, *Ghostvillage*, Sept. 4, 2003.

Joseph Noah was interviewed by actress/author Shirley MacLaine, on May 19 & June 2, 2002, on her Independent Expression Radio Program at <<http://www.shirleymaclaine.com>>, and by George Noory, on Nov. 10, 2003, on the COAST TO COAST AM Radio Show (formerly The Art Bell Show) <<http://www.coasttocoastam.com>>. WHAT IF

A Novel of Alternate History

by Daniel Rosenfeld

ISBN 0-9716008-0-5. Paperback. 462 pp. February 2002. Daniel Rosenfeld Book Publishing. \$14.95.

The year is 1890. A young Jewish man whose family was massacred by Russian hooligans meets with a Muslim girl escaping from captivity on board a freighter traveling to Egypt. Both are stowaways. They fall in love and decide to settle in the Holy Land. They find a treasure.

The ordeal of traveling through the Sinai desert is described in detail. During this trip the concept of reforming education in order to bring the people of the three faiths together develops.

Once in the Holy Land, dialogue with leading clerics begins, culminating in the construction of the first of many educational facilities where youngsters of all faiths are brought together, and where the teaching of tolerance and mutual respect are emphasized. Religion, they're taught, is a matter of choice, and should have no influence on behavior.

The tragedy of the First World War follows with the devastating effect the Turkish rule caused in Palestine. Details of the four war years are provided. The British armies defeat the Turks and take over the country. The people of the land, having enjoyed the harmony developed by our hero, rally around him and demand independence from Britain. After many encounters with the British Government, resistance to their rule, and fighting, independence is granted. Peace returns to the land, and its people live in harmony.

This book uses events as they occurred in history, but changes the course of action from conflict to peace and harmony. It develops the thinking about the need to reform education, behavior among men of three religions, the value of freedom, peace and mutual respect.

"A thought-provoking speculative novel. What If is a work of "alternate history" in which author and Israeli-Palestinian conflict expert Daniel Rosenfeld speculates how history would have been different if, back in 1890, historical people and events had taken a different path in the second rise of Israel on the way to becoming a nation state. What If is a substantial, entertaining, and thought-provoking speculative novel that will especially appeal to those with an interest in the present Mideast conflict." - Midwest Book Review, August, 2002.

About the Author: Daniel Rosenfeld was born in Palestine in 1929, then under the rule of the British Mandate. His father was a high official in the service of the British Government of Palestine (1922-1948). He was educated in Hebrew and English schools. He was a member of the Haganah that fought for the independence of Israel. In 1948 he joined the Israel Defense Forces and fought during the War of Independence. In particular, he fought for the defense of the City of Jerusalem.

After his discharge from military service in 1949, he joined the Anglo Palestine Bank (now Bank Leumi le Israel) as a trainee. Being fluent in several languages, he was sent by his bank to London, New York and Los Angeles in the early 60's. He also worked for two other international banking institutions until 1980. During his years in international banking, he traveled on business to over 80 countries, and has developed a fund of

knowledge about economic, political, social, and cultural affairs of many peoples.

In 1981, he left banking when his hobby of restoring historic buildings turned into a successful business. He is noted for restoring Searles Castle in Massachusetts, for which he received an award from the National Historic Trust when the Castle was declared a Federal Historic Site. He continued in real estate development and management until the year 2000.

The third phase of his career began when he finally had the time to devote to his lifelong interest in writing. A subject which had intrigued him for many years was the absence of the Jewish people fighting against repressive regimes during the 2000 years of the diaspora.

CODE NAME: AMNON

The Life and Times of a Haganah Fighter 1943-1949

By Daniel Rosenfeld

ISBN 0-9716008-2-1. Hardcover. 280 pp. November 2003. Rosenfeld Book Publishing. \$21.95.

Code Name: Amnon is the true-life story of a young man born in Palestine, who at the age of 14, was drafted into the underground resistance movement called the Haganah. With this elite group of Jews, willing to fight and die for the dream of a people, we get a glimpse into the secret operations that toppled the mighty British and drove back countless Arab attacks. Despite his youth, Amnon's own talents were responsible for numerous Israeli victories and many embarrassing British failures. This story takes you from the early struggle to establish a Jewish homeland to the jubilation of seeing an age-old dream become a reality. This is a side of the Arab/Israeli conflict never told before, and the truth about the scheming British hand in a clash that threatens all of us, even today.

"Singing, dancing, elated fortune...after 2000 years, this great miracle is accomplished. ...Palestine, our dear and holy country, is ours....His children are free at last; free to live with their heads high, and with human dignity....Thank with your whole being, sing and dance, fill the air with happiness, for today is the day. The day of the birth,...the sacred gift which was given us on a golden platter, the State of Israel."

Money Is Love

Reconnecting to the Sacred Origins of Money

By Barbara Wilder

ISBN 0967334608. Paperback. 95 pp. September 1999. Wild Ox Press & Communications. \$9.95.

War, poverty, hunger and crime are caused by the fear that surrounds money and its scarcity. Money is energy, and energy is limitless. Only our fear and our limited way of thinking make money seem scarce. Using the exercises described in this book, you can reconnect with the sacred origins of money, and direct the flow of money through your life and the world on a current of love, joy, goodwill and abundance. Money is energy, and according to quantum physics the universe is made up of energy, which becomes matter only when information is focused on it. Wood is wood and not iron because of the information that forms the two different kinds of matter.

Too many of us labor under the belief that money is "a necessary evil," which is, more often than not, difficult to obtain. By changing our feelings about money from fear, anger, greed and scarcity, to love, joy, abundance and goodwill, we can change the way money moves through our lives and the lives of others all over the world.

Now in its 4th printing, *Money Is Love* teaches that as we begin to remove the negative thoughts and feelings that surround money and redefine money as love, we bring the power of love into all of our monetary transactions. This in turn opens our hearts to allow money to flow abundantly into our lives, creating a place of peace and joy. From this place of harmony we can send money back out into the world on a flow of love and gratitude.

Money healed can begin to heal all that it touches. And because money flows like blood through the planet, diseased it causes disease, but infused with love it creates healthy new life.

"A searchlight into the dark mystery of wealth, *Money Is Love* illuminates unexamined terrain. Seekers of balance in this material life, start here to remember the true power in your cash flow. A challenging and fun way to change your mind about money." - Dennis Robertson, C.E.O., Ashoka Credit Union.

"Barbara has created a simple, hands-on approach to cleaning up our relationship to money on both a personal and global scale. This book provides useful truths from history, healing techniques, and a clear vision that can shift our perceptions about money from fear and greed to love and goodwill. *Money Is Love* is a great place to start in bringing greater abundance to our pocketbooks and a little peace of mind to our souls." - Tim Clauss, co-author of *Chicken Soup of the Soul at Work*.

Life Messages

Inspiration for the Woman's Spirit

By Josephine Carlton

ISBN 0740700235. Hardcover. 304 pp. March 2002. Andrews McMeel Publishing. \$14.95.

How novelist Isabel Allende copes with personal loss...
What role intuition plays in the work of astronaut Nancy Currie...
Why Madeleine Albright urges women to learn all they can about the world..

"People are very, very willing to offer their advice and all you need to do is ask," reveals sailing entrepreneur Marti McMahon in *Life Messages: Inspiration for the Woman's Spirit*. She's absolutely right. Impassioned women—from author Isabel Allende to designer Laurel Burch, from Congresswoman Lynn Woolsey to artist Jo Hanson—share their insights on personal topics such as overcoming fear and obstacles, maintaining self-esteem, embracing life's turning points, and recognizing mentors. *Life Messages* is a book of hope, courage, and inspiration for women. Culling her book from over 30 one-on-one interviews, author Josephine Carlton captures the essential qualities, attributes, and motivators of successful women from all walks of life. Readers will be captivated by the uplifting personal quotes, short vignettes, and anecdotes which illustrate how these women achieved success in their lives, both personal and professional.

About the Author: Josephine Carlton is a California radio talk show co-host who works as a certified speech pathologist and voice coach. She has also worked as a casting agent in San Francisco for TV and film. She is the mother of three children and lives in the San Francisco Bay Area. Josephine is working on a series of books and is a guest speaker at motivational and inspirational events and workshops.

"*Inspiring for women of all ages. Going through a difficult time in my life, this book has brought me wonderful, positive inspiration. It has made me realize that my temporary hardships can be overcome. I thank all of the contributors who created this magical piece of work. It is truly a gift.*" - AMAZON.COM: A reader from San Francisco, California.

"I suspect this book would be inspiring for anyone, male or female, who wants practical spiritual encouragement to pursue and discover his or her individual greatness. Read in its entirety, or in segments, *Life Messages* offers insight into the nature of the divine and the courage that permits one to gain control, as well as advice on overcoming fear and obstacles. The chorus of these women's voices encouraged me to trust more in the great potential of my own God-given gifts. The strength of each unique perspective reaffirmed my conviction that the same Spirit supporting these women is also supporting me on my own spiritual journey." - Shirley Richardson, *Christian Science Sentinel*, April 5, 2004.

Spiritual Enlightenment: The Damnedest Thing

By Jed McKenna

ISBN 0-9714352-3-5. Paperback. 296 pp. December 2002. Wisefool Press. \$21.95.

AUTHOR, TEACHER and SPIRITUAL MASTER Jed McKenna tells it like it's never been told before. A true American original, Jed succeeds where countless others have failed by reducing this highest of attainments—spiritual enlightenment—to the simplest of terms.

Effectively demystifying the mystical, Jed astonishes the reader not by adding to the world's collected spiritual wisdom, but by taking the spirituality out of spiritual enlightenment. Never before has this elusive topic been treated in so engaging and accessible a manner.

A masterpiece of illuminative writing, *Spiritual Enlightenment* is mandatory reading for anyone following a spiritual path. Part exposé and part how-to manual, this is the first book to explain why failure seems to be the rule in the search for enlightenment—and how the rule can be broken.

"Absolutely marvelous, splendid, perfect book!" - Acharyaji Anatole, Abhidhyan Yoga Institute

"McKenna is an American original, and his delightful Spiritual Enlightenment is just what's needed to wake us up from slumber." - Lama Surya Das, author, *Awakening the Buddha Within*

"Jed McKenna's description of life after enlightenment is so good that 99.9% of his readers might not understand how truly profound it really is....This is the least mystical book about enlightenment imaginable and that is its greatest feat." - Satyam Nadeen, author, *From Onions to Pearls, From Seekers to Finders*

"I loved Jed's book. I stayed up past midnight reading it. I recommend it because it goes to the root. It demands everything, it relentlessly urges you further, and best of all, if you fall into distracting yourself by trying to make something out of Jed, there's truly nobody there! You are left with the simple question: what is true? For those who are ready to give up everything and find nothing, this unique and unconventional book is a multi-layered journey behind the veils, pointing you straight into the void." - Joan Tollifson, author, *Bare-Bones Meditation: Waking Up from the Story of My Life*

Spiritually Incorrect Enlightenment

By Jed McKenna

ISBN 0-9714352-5-1. Paperback. 320 pp. March 2004. Wisefool Press. \$21.95.

THE MARK OF A TRUE MASTER is that he can express a subject of the utmost complexity with uncanny simplicity. Jed McKenna is such a master, and spiritual enlightenment is his subject.

His first book, *Spiritual Enlightenment: The Damnedest Thing*, was an instant classic and established him as a spiritual teacher of startling depth and clarity. Now, his second book, *Spiritually Incorrect Enlightenment*, takes us on a fascinating tour of the enlightened state—what it is and what it's not, who's there and who's not, how to get there and how to get somewhere better.

Delightful surprises abound, including the dramatic unveiling of perhaps the greatest spiritual masterpiece of all time—long hidden in plain view and well known to all. Whitman, Melville, Thoreau, Mark Twain and U.G. Krishnamurti all appear, and a student from the first book returns to share her Spiritual Autolysis journals. Also surprising are the author's gentle efforts to guide the reader away from enlightenment toward a more desirable and accessible state.

*Failing to fetch me at first, keep encouraged,
Missing me one place, search another,
I stop somewhere, waiting for you.*
- Walt Whitman

Jed McKenna's books aren't for everyone. They're for people who are tired of the spiritual merry-go-round and ready to confront the unadorned reality of the awakening process. If you like your teachers with all the spiritual trimmings and trappings, Jed may not be right for you, but when you're ready to jump off the merry-go-round and begin your journey, Jed McKenna is the guy you want to see standing there—waiting for you.

"Brilliant!!! Jed hits another one out of the park!" - Orva T. Schrock

"If you are ready, step into Jed's world. It is intelligent and powerful." - Jerry Katz, *Nonduality Salon*

"A powerful and unmerciful document that clearly and consistently lays out the truth." - Nordattack

Who You Are and Why You Are Here

By Ruth Mierswa

ISBN 0-9661080-0-0. Paperback. 311 pp. 1998. Rainbow Gateway Books. \$16.00.

Who You Are and Why You Are Here is the result of Mierswa's long-time search for answers to why we are here on earth and what the purpose of life is. She studied psychology and post-graduate counseling and read all the non-sectarian books she could find, yet received no help. Finally, when she read and digested Alice Bailey's 24 metaphysical books, all the answers flowed into her mind and heart, satisfying her to the depths of her soul.

She found that the only reason we're here is soul evolution, which is accomplished in two ways: (1) by working on transmuting character weaknesses into strengths with special insights; and, (2), by working on manifesting one's life purpose—that unique way in which no one else can help others as well as each of us can. This book helps the reader do both.

Soul evolution is not the only benefit of manifesting one's Life Purpose; however, it is the greatest one. Good health is also a result, say psychologists—but they have no tools for finding out one's Life Purpose. This book has the tools! Mierswa developed a system for finding one's Life Purpose and Personality Type, and validates it by showing in this book how the Life Purposes of 226 successful people found by this system coincide with the contributions of each, and by six studies and four bar graphs.

Claire Evans, of England, wrote that she had been searching for years and had read more than 100 spiritual books and attended 12 spiritual workshops, but received no help, yet found answers to all her questions in this book.

"This book has changed my life. I spent over a year filling out personality questionnaires and assessments, but couldn't find my Life Purpose. I even tried hypnosis and numerology with no success, but your book did indeed describe my Life Purpose." - L. Duku, Toronto, Ontario, Canada.

"My life has turned completely around from the information in this book. In the past, I was so frustrated that I felt I couldn't go on any longer, but now I am happier than ever and am uplifting others the way I was helped." - Irene Bouchard, Naples, N.Y.

"Brilliant! A must-read!" - Richard Fuller, *Metaphysical Review*.

"A new and profound level of personal and universal understanding. Beautifully opens the windows of the soul. If you want to grow in love, live more your unique authentic self, this book is a gem." - Stephen Rogers, Auburn, CA.

Deeper Metaphysics

By Michele Blood and Lawrence T. Bond

3 x CD Program. 2003. Michele's MusiVation International. \$29.95.

Becoming successful in our lives is not about struggling or working hard or making money. Making money is not about making money. It's not about what we want; it's about why we are not achieving what we want. It's about spiritual awareness. It's about re-remembering who we really are! The blocks that are stopping us all lie in our own minds, and through the study and understanding of metaphysics we can become great, happy and powerfully fulfilled manifested beings. Yes, we can be rich, healthy and happy. It's deep—and yet all so beautiful and simple! It's not even about abilities or talents. Many talented people with fantastic abilities are always broke. Becoming successful and truly fulfilled is understanding *Deeper Metaphysics*. This program, when truly followed and listened to with an open mind, will help you find the joy and awareness to be on target with your life.

I CAN DO IT Positive Self Esteem Songs for K I D Z

By Michele and her animal friends

CD. Recommended for ages 0 to 9. 2003. Michele's MusiVation International. \$14.95.

This CD is a must for all parents and teachers who desire that their children grow up with an attitude of joy, love—and with a great positive I CAN attitude. Filled with amazing positive fun songs for kidz from new-borns to seven. Why from new borns? Because babies begin to take in all thoughts the moment they are born. They are wide open to all we say and all they hear, and then these things become their belief systems as adults. What we feed our children's minds creates who they will be as adults. Michel feels is it our responsibility to help children grow up without all the hang-ups and negativity we have all had to work so hard to release as adults. Michele Blood has also been wise enough to go a step further and have beautiful little animals speak before each song and educate the kidz a bit more about our beautiful animals from all over the world. The songs are:

1. **I Can Do It** - Joey, the Baby Kangaroo from Australia
2. **I Am Love** - Goldie the Baby Dove of Love
3. **I Am Strong and Beautiful** - Mr. Purr the Baby Bengal Tiger from India
4. **I Love My Family** - Miss Lee the Baby Panda Bear from China
5. **I Am a Miracle** - Colleen the Irish Setter Puppy from Ireland
6. **I am Perfect** - Carlos the Baby Coqui Frog from Puerto Rico
7. **I Live to Love and Forgive** - Baby Orangutan from Malaysia/Indonesia
8. **I am Divine Love** - Divine the Coyote Puppy from North America

Michele Blood and MusiVation™

Michele Blood electrifies every audience she comes in contact with. She is a dynamic, world class act. Her recorded and written works have the power to literally change your life. Many of the world's greatest teachers use her material for their own personal benefit. Michele has worked with many of the world's greatest teachers, including **Dr Deepak Chopra, Dr Wayne Dyer, Jack Canfield, Dr Tony Alessandra, Jim Cathcart, Bob Proctor, Stuart Wilde, Robert Kiyosaki** and many more.

Michele has been gifted with the awareness and the unprecedented talent to successfully impact people spiritually, intellectually, emotionally and physically. While in hospital after a near fatal car accident, Michele created MusiVation™ and healed her own body. MusiVation™ is quickly becoming an industry in itself and has assisted thousands of people and companies all over the world to create well-being in every area of their lives. Due to our growing market, MusiVation™ products and seminars have expanded into the business, sales, health and weight control industries internationally. Michele's attitude and management skills are beyond excellence; she knows how to turn dream into reality in the business world.

Michele produced and hosted "**Michele's M-Power Show**" (14 x 30-minute show's total to date) for TV networks globally and for her hottest new Internet TV show on the web, **MPowerTV.com**. **M-Power** is a self-improvement talk show where Michele interviews the world's leading experts from Internet training, music, children's self esteem, finances, health to business. The show is destined to be a huge success as it covers all that products in direct sales require to really succeed. As John Kogier, "JW Greensheet" publisher, says, "These sorts of shows need to make you rich, thin, or beautiful." **M-Power** covers all three and much more.

Michele has been featured in many publications world-wide, including

Marie Claire, Think and Grow Rich, Success, Female and many, many others. She has also appeared on many TV shows all over the world and literally hundreds of radio stations—and plans to do so much more.

Her tapes, books, screensavers, CDs, Home DVD/video training systems and many MusiVation™ products are selling all over the world. She's been described as a petite, dynamic, singing version of Anthony Robbins. Michele produced and hosted her own positive TV show, **Michele's M-Power**, to help other self improvement experts and also so that the world could benefit from all of the leading experts she has on her show. Turning this format into the world's first positive internet TV show was her own concept.

In Search of the Unitive Vision

Letters of Sri Madhava Ashish to an American Businessman, 1978-1997

Compiled with a Commentary by Seymour B. Ginsburg

ISBN 1-892138-05-0. Paperback. Illustrated. 304 pp. New Paradigm Books. 2001. \$19.95.

"If you want to pursue in a Western way the path that we follow here at Mirtola, you need to study and work with the Gurdjieffian teaching."

Thus did the guru Madhava Ashish, at their first meeting, invite American businessman Sy Ginsburg on a spiritual journey that would last 19 years (until the guru's death) and include both a lengthy correspondence and annual visits to Sri Madhava Ashish's Mirtola ashram, near Almora, in India's Himalayan foothills. Along the way, the entrepreneur/author would be caught up in not only the teachings of G.I. Gurdjieff, but also the search for the elusive unitive vision—the world viewed from the perspective of the greater Self and not the personality.

In this remarkable spiritual document, the reader shares the search, increasingly catching glimpses of the unitive vision as the book draws toward a close that is also an opening out, into the vaster dimensions of the human mind.

"The last English saint....came to India to repair spitfires, stayed to tame the inner fire." - This Week of India

"Ginsburg is able to create an atmosphere of the palpable presence of the master by providing quotations from his letters and articles." - Jagdish C. Nautiyal, Ph.D., University of Toronto.

"Carries an esoteric sense of that legominism which is characteristic of Gurdjieff's own writing." - Anuradha, The Mountain Path, Journal of the Bhagavan Ramana Maharshi Ashram, India

"[Ashish's] responses, always full of insight and sometimes wry humour, throw an impartial light on Theosophy, the Gurdjieff Work, and Indian spirituality." - Ravi Ravindra, Ph.D., Chair, Dept. of Comparative Religion, Dalhousie University, Halifax, Nova Scotia, Canada
