**ABOUT THE AUTHOR:** Jonette Crowley <[http://www.manantialcaduceo.com.ar/jonette\\_crowley.htm](http://www.manantialcaduceo.com.ar/jonette_crowley.htm)> es una canalizadora moderna con dones místicos que canaliza a “Águila Blanca” y a “Mark.” Desde 1990 ella ha estado enseñando semanalmente clases de crecimiento espiritual y ha dado talleres especiales a través de los Estados Unidos y de Europa.

Jonette es verdaderamente una exploradora. Su trabajo espiritual representa la vanguardia de la habilidad humana. Su presencia crea un espacio energético que le permite a otros acceder al magnetismo y a la sabiduría de la 6ª y 7ª dimensión y más allá. Con su guía “Mark” ella ayuda a la gente para llegar a sus propias introspecciones a través de experiencias directas de conciencia expandida. Jonette canaliza a “Águila Blanca” para sesiones particulares, para que la gente pueda aprender más acerca de ellos mismos y de su vida.

Ella ha viajado por más de 50 países y ahora une su pasión por los viajes y el crecimiento espiritual uniéndolos para llevar a grupos en viajes a lugares sagrados alrededor del mundo. En Agosto de 2004, mientras estaba caminando por la Senda de los Incas, ella recibió el conocimiento claro de que ella había sido la Mujer Pequeño Búfalo Blanco (White Buffalo Calf Woman). El poder que ha llegado debido a esta remembranza ha capacitado a Jonette de viajar hacia los planos interiores a fin de hacer surgir las energías y activaciones del legendario Disco Solar de Lemuria. Jonette es un Chamán cuya meta es la de volver a despertar la Unidad.

Ella también está enraizada firmemente en el mundo “real.” Ella y su marido, Ed Oakley, son propietarios de una firma consultora corporativa conocida nacionalmente: Enlightened Leadership Solutions—<<http://www.enleadership.com>> (Soluciones de Liderazgo Iluminadas). Ella tiene un MBA (Maestría en Administración de Empresas).

**ABOUT THE BOOK:** Imagine Machu Picchu—the splendor, the green. You’re standing on the highest promontory, the Temple of the Sun, soaking it all in. All of a sudden, you’re taken back to another time, when you are an Incan Priest or Priestess. As you fall through this wormhole in time, you’re not alone. Simultaneously, the same thing is happening to another person in your group. Without words, together you perform a powerful initiation that you don’t remember but you know. Imagine magical occurrences such as this happening again and again as you travel through Peru, some of the events linking back through your life to decades earlier, and millions of years before—to Lemuria. How would you make sense of all of it?

*The Eagle & The Condor* enfolds you in mystical richness as you walk with the author in a sacred forest in Australia, a trek to the Mount Everest base camp in the Himalayas, and to Machu Picchu in the Andes. She learns to communicate with spirit guides and take people with her on journeys of consciousness. Unexpectedly, she discovers that the Andean shaman she has hired is her soul’s Twin Flame (and she didn’t even believe in Twin Flames until the moment she set eyes on him!). They find themselves sharing a grass hut in the Amazon—and she is a happily married businesswoman. After all this, her guiding voice insisted that she write a book, and that she go back to Peru a second time—alone, for the solstice with the shaman.

This story gives you the keys and inspiration to illuminate your own soul’s path. We are each so much more than we can imagine. This true story brings you along on the intimate path of spiritual initiation. It evokes Native American and Incan myths, and legends of the lost continent of Lemuria. With the help of spirit guides and mystical visions, the book brings ancient knowledge and spiritual power to light. You will laugh, and cry and learn.
